

A few words about Rita's Collection

Rita's collection hair Jewels, are elegant, unique, and easy-to-use hair accessories that work well in long, short, normal or very fine hair. They are equally suited for day or evening wear, and can be used to decorate or create new hairstyles.

First introduced in 2001, Rita's collection hair Jewels, have sold in the best department stores, boutiques, salons, bridal shops, children and teen boutiques, and beauty supplies all over the Greece for the past ten years. Hair Jewels have been seen regularly on tv series, worn by celebrities.

Rita's collection hair Jewels are made from the finest genuine Austrian Swarovski Crystals and other fine materials. Our jewelry collection is fashionable, elegant and glamorous and our products have only one goal — to make you look good.
